

IT'S TIME TO PICK A FRIEND!

Dear Parents and Students,

We often have requests for children to be in class with friends. We will be instituting a new program where you will be allowed to request a “friend” to be in your child’s class. **Only one request per child will be considered.** We require that the “friend” also submit a request naming your child as his/her “friend.” **There will not be any class changes once the classes are put together!**

Please submit this form with your registration materials to the Religious School office by **Thursday, March 31st**. We will make our best effort to accommodate you.

Religious School Director
